**ORDER AUTHORIZING THE USE OF THE
UNITED STATES MARSHALS SERVICES
FOR SERVICE OF PROCESS**

Standby counsel for the Defendant, **JOSEPH COSTA PACHECO III**, having made a Motion to utilize the services of the United States Marshals to have witnesses produce documents so that they may be examined by the Defendant prior to trial, and this Court deeming itself fully advised in the premises;

Defendant's motion does not address the appropriateness of the content of the materials sought to be subpoenaed, nor has the Court been provided with the language of the subpoenas themselves. Therefore, the Court is not passing on the propriety of the subpoenas contemplated by defendant. However, the Court is persuaded that defendant is unable to pay, pursuant to Fed. R. Crim. P. 17(b). Now, therefore, given defendant's indigence,

IT IS HEREBY ORDERED that the United States Marshal shall serve the individuals named on the subpoenas issued by the Defendant in this case and that the costs for the same shall be paid out of United States government funds.
